

Lincoln Tower Tour

John Hill, Lincoln Tower Manager and staff will discuss controlled airspace and tower operations. Daniel Petersen, FAASTeam Program Manager, will discuss the three types of runway incursions. There will be time for questions and comments.

Directions: Registrants only, when approaching the gate to the Tower parking lot, follow directions on the speaker and a staff member will open the gate. After the gate opens pull through and allow gate to fully close behind you before proceeding to your parking spot. If flying to Lincoln, you must park at either Duncan Aviation or Silverhawk Aviation and ask the FBO for a ride to the tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
